Hiah Park is a Korean shaman (mudang) who specializes in the art of ritual dance. She has worked as a court musician and dancer in the Korean classical tradition, has received a master of arts degree in dance, taught Korean dance and ethnology - as well as sound and movement improvisation - in universities. Since her initiation as a mudang in 1981, Park has travelled extensively, performing shamanic ritual dance, trance dance, and traditional Korean dance

Workshop: This workshop will assist you the great opportunity to integrate and find creative solution, fully express who you are and coming out from old stuck situation. Illuminate your true desire, investigating your unconscious desire from deep soul of sacred connection. Reflect in deep soul's journey will help bring the powerful unconscious desire. It will help you to observe and illuminate and be honest, be open, be still and be clear with whole spectrum of truly who we are. It will help to communicate and express, instead of suppress and deny. Aligning with honest authentic Self with "Desire & Passion" and becoming creative and spontaneous integrated authentic human Being. It will also help your electro magnetic unwavering foundation in your power, individually by reinventing your identity. It is time to be real in this world, "Initiate" yourself into New Being. It will also help you, to be powerful, de-conditioning from conditioned our past, childhood which kills our creativity and "Divine Child", the "God" in us.
