the shadow of love close in the body and the mind.
Open the window to the west, and disappear into the
air inside you***

***Near your breastbone there is an open flower,
Drink the honey that is all around that flower.***

Waves are coming;

***there is so much magnificence near the ocean!
Listen: Sound of big seashells! Sound of bells!
Kabir says: Friend, listen, this is what I have to say:
The Guest I love is inside me!***
